Christmas Fires Warning.

Superintendent Walter K. Chorn of the State Insurance Department at Jefferson City, has issued a general warning to the people asking that extreme care be used in Christmas decorations in order that the season may not be saddened by the destruction of life and property by fire.

The warning is particularly addressed to parents, shopkeepers and persons in charge of Christmas exercises in schools and churches and deals entirely with decorations of Christmas trees and shop windows. The warning follows:

"Do not decorate your Christmas tree with paper, cotton or any other inflammable material. Use metallic tinsel and other non-inflammable decorations only, and set the tree securely so that children in reaching for things cannot tip it over.

"Do not use cotton to represent snow. If you must have snow use asbestos fiber.

"Do not permit children to light or relight candles while parents

Chas. Chaplin.

The funniest man in the world has written the story of his life. It's a story alive with human interest, and if you were reading "David Copperfield," "Nicholas Nickleby" or "Oliver Twist," for the first time, you would not enjoy them more than you will "Charlie Chaplin's Own Story of His Life."

It has the real Dickens flavor and tells of the terrible hardships of Charlie Chaplin's early life in the music halls of London. It pictures the terrors and agonies of a sensitive child mistreated, half starved and misunderstood.

It is the authentic and unexaggerated chronicle of the progress of a valorous child through suffering to manhood and success—success which is said to pay him \$110,000 a year to furnish laughs to the millions who go to see him on the "movie" screen.

"Charlie Chaplin's Own Story of His Life" is being published serially each Sunday in the Feature Section of The St. Louis Republic. It's the greatest offering of the year. 3-11

The nicest thing for an Xmas present is a box of nice handkerchiefs. We have them put up for the purpose; they range in price from 3 for 25c to 3 for \$1.00. Buckley. 4-11

A Naughty Girl.

A Hayti girl played a mean trick on her mother the other day. By accident she found an old love letter that her father had written her mother in the halcyon days of their courtship. She read the letter to her mother substituting her name and the name of a boy who tags around after her. The mother raved with anger and disgust and forbade the girl to have anything to do with a young simpleton who had no more sense than to write such gush to a girl. The daughter then handed her mother the letter to look over and the house suddenly became so quiet that one could hear the grass growing in the front yard.

Bird of Peace.

There is a wise old owl
That lives in a tree:
The name of this old owl
Is A-m-e-r-i-k-a-e.
He looks and he listens—
Not a word says he—
But he thinks to himself
"What fools there be!"

Thomas Jefferson "Father of the Declaration of Independence"

THIS noble founder of the Democratic Party immortalized himself by writing our Declaration of Independence—the document which laid the foundations of Free Government, not only for our own beloved land, but for all the world. His countryman twice elected him President and will always treasure his memory. Jefferson was the most ardent advocate of Universal Freedom of his time and it was his wisdom and foresight which brought about the Louisiana Purchase. Every drop of his Virginia blood loved Liberty, and because he wanted Americans to be assured of it for all time he championed with all his might and main the signing of the Constitution of the United States. None of the Fathers of the Republic were more far-seeing than he and none knew better than he that a mild brew of barley-malt and hops is truly a temperance drink. Hence, in 1816 he wrote President Madison: "A Captain Miller is about to settle in this country and establish a brewery. I wish to see this beverage become common." Jefferson lived past his 83rd year and all his life he was a moderate user of light wines and barley brews. It is unimaginable that were he alive today he would vote otherwise than NO to proposed tyrannous prohibition laws. For 58 years Anheuser-Busch have been brewing the kind of honest barley and hop brews which Jefferson hoped in his day to see the National beverage of Americans. Exactly such a beer is BUDWEISER. Its quality, purity, mildness and exquisite flavor have won its way to the top. Today 7500 people are daily required to meet the public demand. Its sales exceed any other beer by millions of bottles.
